

Material Safety Data Sheet — Botanical Aromatiser (Cannabis sativa L., < 0.2 % THC)

SECTION 1 — IDENTIFICATION

Product Use: Botanical aromatiser for olfactory or ambient purposes; may be combusted for aroma release.

Not for use as: Food, drink, medicinal, or cosmetic product.

Trade Description: Dried Cannabis sativa L. plant material (< 0.2 % THC) containing natural floral flavourings, aromas, and botanical compounds intrinsic to the hemp plant.

Age Restriction: Intended solely for adults 18 years and older. Minors are prohibited from purchase, possession, or use.

Customs Classification: CN Code 1211 90 86 — Aromatic or medicinal plants (hemp ≤ 0.2 % THC).

Legal Status: Fully compliant with Regulation (EU) 1307/2013 (industrial hemp ≤ 0.2 % THC).

Exempt from control under Maltese Dangerous Drugs Ordinance (Cap. 101). Lawful for sale and circulation within the EU except Ireland and Finland, where national restrictions apply.

Verification Support: Analytical certificates, strain registrations, and THC laboratory results available on request for customs or health-authority review.

SECTION 2 — HAZARD IDENTIFICATION

Classification: Not hazardous per Regulation (EC) 1272/2008 (CLP).

Primary Hazards: Combustible organic matter; may irritate eyes or airways if burned in unventilated space.

Acute Toxicity (Ingestion): Low; not intended for ingestion. Ingesting 5 g ≈ eating 5–6 cigarettes, causing nausea and vomiting.

 WARNING

Precautionary Statements: P102 – Keep out of reach of children and minors. P270 – Do not eat, drink, or smoke while handling. P501 – Dispose of contents in accordance with local regulations.

SECTION 3 — COMPOSITION / INFORMATION ON INGREDIENTS

Cannabis sativa L. (dried plant material) — CAS 8063-14-7 — ≈ 99 % — EU-approved industrial hemp (< 0.2 % THC) serving as the primary botanical substrate.

Natural terpenes, floral aromatic flavourings, and compounds (proprietary blend) — ≈ 1 % —

Naturally derived botanical ingredients used to enhance aroma and flavour profile. Exact formulation protected as a trade secret under Reg. (EC) 1272/2008 Art. 24 (Confidential Business Information).

SECTION 4 — FIRST AID MEASURES

Inhalation: Move to fresh air. If symptoms persist, seek medical attention.

Skin Contact: Wash with soap and water.

Eye Contact: Rinse with clean water for several minutes.

Ingestion (Adult): Rinse mouth; do not induce vomiting; drink water; observe for nausea.
Ingestion (Child): Call physician or Poison Information Centre immediately. Present label or jar.
Treat as nicotine/tar ingestion (~ 5–6 cigarettes). Supportive care only.

SECTION 5 — FIRE-FIGHTING MEASURES

Use water spray, CO₂, foam, or dry chemical. Avoid inhalation of smoke.

SECTION 6 — ACCIDENTAL RELEASE MEASURES

Sweep up; avoid dust; dispose as bio-waste.

SECTION 7 — HANDLING AND STORAGE

Store sealed, cool, and dry (< 25 °C). Keep away from children and minors. Do not ingest.

SECTION 8 — EXPOSURE CONTROLS / PERSONAL PROTECTION

Normal ventilation adequate. No special PPE required.

SECTION 9 — PHYSICAL AND CHEMICAL PROPERTIES

Appearance: Dried green-brown plant matter.

Odour: Natural floral and herbal aroma.

Flash Point: > 200 °C.

Density: ≈ 0.25 g/cm³.

Solubility: Insoluble in water.

SECTION 10 — STABILITY AND REACTIVITY

Stable under normal conditions. Avoid oxidising agents. Combustion releases CO and CO₂.

SECTION 11 — TOXICOLOGICAL INFORMATION

Acute Toxicity: Low.

Ingestion: Nausea and vomiting possible (similar to eating 5–6 cigarettes).

Inhalation / Smoking Statement: No unique danger is presented by smoking this product.

Toxicological profile equivalent to smoking any Cannabis sativa L. plant part or any commercially available cigarette. Contains only natural plant aromas and terpenes; no synthetic additives or psychoactive THC beyond EU limits (< 0.2 %).

SECTION 12 — ECOLOGICAL INFORMATION

Biodegradable natural material; no known persistent hazards.

SECTION 13 — DISPOSAL CONSIDERATIONS

Dispose as plant bio-waste; do not release to waterways.

SECTION 14 — TRANSPORT INFORMATION

Not classified as dangerous goods (ADR, IMDG, IATA).

SECTION 15 — REGULATORY INFORMATION

CN Code: 1211 90 86 — Aromatic or medicinal plants (hemp \leq 0.2 % THC).

EU Legal Basis: Reg. (EU) 1307/2013 (industrial hemp); Reg. (EC) 1272/2008 (CLP).

Maltese Compliance: Cap. 101 (Dangerous Drugs Ordinance) — Industrial Hemp Exemption.

Age Restriction: 18 +. Possession or use by minors prohibited.

Product Nature: This product is not a food, drug, cosmetic, or medicinal product and makes no therapeutic claims.

National Restrictions: Not permitted in Ireland or Finland.

SECTION 16 — OTHER INFORMATION

Ingestion may cause nausea similar to eating 5–6 cigarettes. Smoking presents no additional hazard beyond standard tobacco or Cannabis sativa L. plant combustion.

Legal Assurance: Product fully complies with EU and Maltese industrial hemp law. All supporting certificates and test reports are available on request.
